A Decade Ends

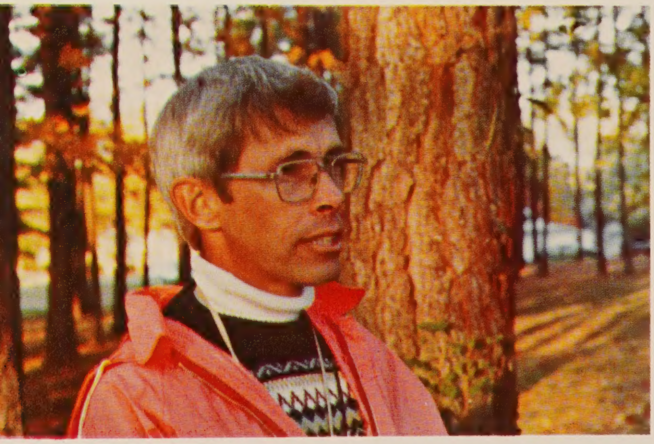
. . . Endings, beginnings, opportunities; farewells to the old, hellos to the new. Memories to hold through the next 10 years and more for Manchester Lancers.

RUN FOR THE ARTS

Many MHS students ran for the arts in 1979.

Below: Debbie Creasy and Lynda Taylor await a big game.

#1, Monroe Meade, leads the Lancers to another victory in 1979.



Coach Al Weaver looks on at a regional cross country meet.

Well, it's the end of another school day. Now, for many Lancers, it's off to work.

The '80s Begin

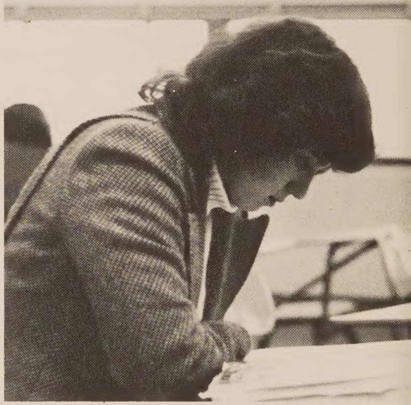
Members of the class of '80 set the example by doing some serious studying.

A Decade

The '70s gave us moments to cherish, days to remember, years of fulfillment. Manchester Lancers prepared for a new decade and a new life in classrooms, in sports, in clubs. The legacy will last us for many decades to come.

The class of 1980, the first of the new decade, shows that there really is Excellence in '80!

Glen Snow returns the thanks for a job well done as Drum Major of the Marching Lancers for '79-'80.

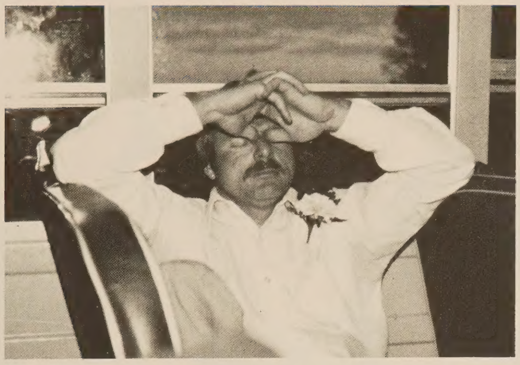


Jenny Melton reads tales of decades ago.

The '70s end with the "big band" sound coming back.

Right: The '70s brought about many drastic changes.

Years and Moments



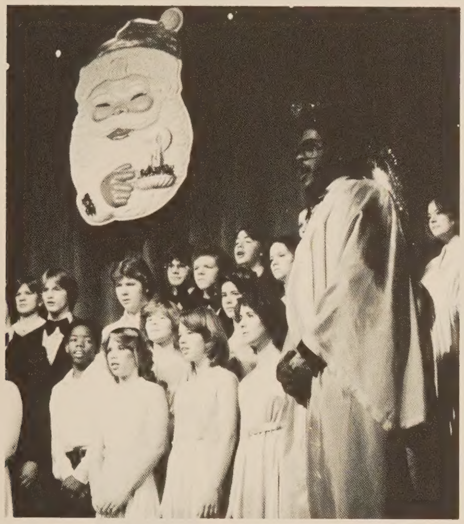
Coach Smith sighs: "Another decade; I'm not getting any younger."

"The past gives us the key to unlock the door of the future."
Michelle Young

" '79 and '80 were great, but '81 will be the best."
Kim Shpil

"Entering Manchester has been a great experience for me, and I'm looking forward to a bigger challenge in the new decade."
Chris DeHart

"In the past two years that I have attended MHS, I have made friends, had fun, and learned a little bit in the process. I hope I will always remember the good times I have had, and I hope there are many more in the years to come."
Leslie Piercy.



John McRoy illustrates his 1980 New Year's resolution.

Manchester students ended the decade with an eventful year. The Lancers lost many friends to the new Monacan High School, but gained an entire freshman class and many new teachers. While changes created a new climate, the traditional Lancer spirit prevailed.

Hippie Day drew spirit week to an end with success as shown by these four MHS students.

Glenn Sides and Michelle Young demonstrated spirit by wearing T-shirts.

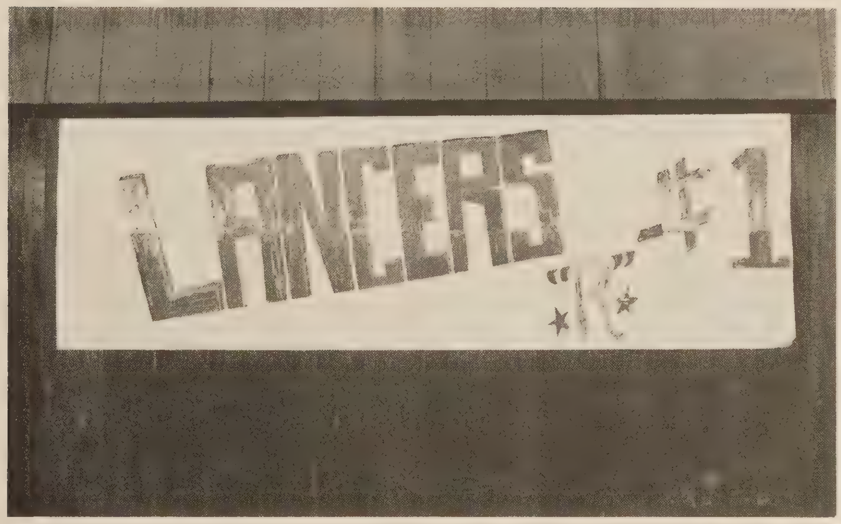
Highlighted By Bonfire

The activities at the bonfire included building a pyramid.

The events that filled the days of the week before homecoming were meant to get everyone ready for the game on Friday night between Manchester and Prince George. This week was designated as spirit week. The Lancers participated in "hat day", "clash day", "stuffed animal day", "T-shirt day", and "hippie day". After the bonfire spirits were raring to go.



"Lancers are number one", could be heard throughout spirit week.

The stage band added to the atmosphere at the bonfire.

The Homecoming pregame parade was led by a Lancer on horseback.

UNION PACIFIC

Providing music for the dance was the band "Union Pacific," performing many popular tunes.

The Manchester football team took on the Prince George Royals for this year's Homecoming game. Before the game the band and the club floats paraded around the track, led by a Lancer on horseback. The band performed a good half-time show, while the Homecoming court was formed. Nancy Morrison was crowned by Mr. Thomas as the 1979-80 Homecoming Queen. The homecoming dance sponsored by the SCA took place after the game. Eveyone enjoyed the dancing to the music of the band "Union Pacific". The theme of this year's dance was "Reminiscing".

Spirit was up and everyone was ready for the powderpuff game — but the weather was not. The game was postponed to Monday night much to the disappointment of some. Nevertheless the game was a success and the seniors dominated the juniors as tradition has it. The crowd was entertained by senior guys as cheerleaders and junior guys as Lancerettes.

It's hard to play with snow in your horn, as the Wind Ensemble mixes music with a blizzard.

Manchester's Music Department Gives Christmas a New Look

Christmas isn't complete without the traditional concerts given by Manchester's Concert and Wind Ensemble Bands and the various choruses.

Not only did they play and sing old holiday favorites, but they added a few laughs. The wind Ensemble continued their annual "Toy Shoppe" musical starring elves, Gary Crumpton, Allan Gillie, and Larry Douberly; toy soldier, Chuck Shelton; and part-time elves/reindeer, Mitch Young, Nisey Fields, and Tootse Burkhalter. But no Toy Shoppe is complete without Santa, who was played by Harold Goldston. The narrator was David Keeler and the band accompanied the cast.

Of course, not to be outdone, John McRoy and the chorus gave the audience a treat with their version of the "Monotone Angel". The audience loved it and surely the performers did too.

Manchester's new indoor track team starring Nisey, Tootse, Mitch, and Santa.

The Monotone Angel is played by John McRoy.

Ms. Susan Wood directs the chorus into beautiful harmony.

Two soloists help out the Madrigals.

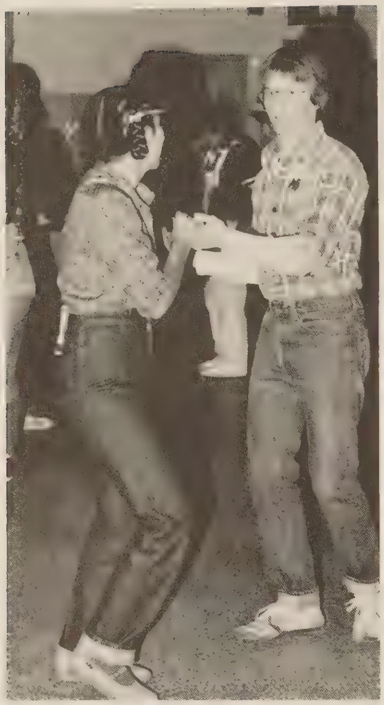
Manchester Choruses Fill the Auditorium with Holiday Spirit

Ranu Ghatak shares her talent on the piano with chorus members.

The Madrigals delight the audience with a melody of Christmas.

Daisy Maes and Little Abners enter the Sadie Hawkins Dance.

Sadie Hawkins Dance



Couples dance to the music.

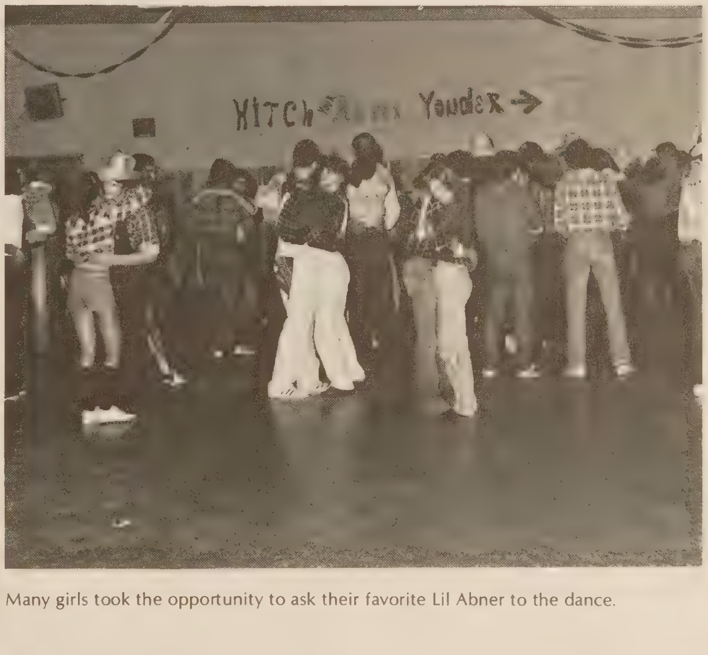
The Sadie Hawkins Dance was held in February. This year it was sponsored by the Junior Class to raise money for the prom. Bernie Mimms was the preacher that hitched all the Little Abners and Daisey Maes. There was also a "Kissing Korner". Many girls took the opportunity to ask their favorite guy, for a change. The dance was a big success.

Several students take time out to pose for the camera.

Kay Hargrave and her date get hitched.

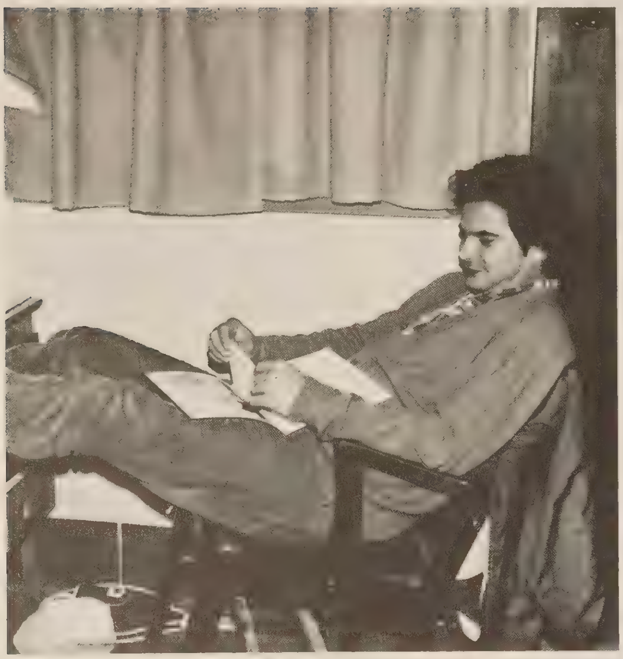
Physics teacher, Mr. Henry, relaxes.

Mr. Richardson and his wife rock away the hours.



Many girls took the opportunity to ask their favorite Lil Abner to the dance.

Study Hall Improves Grades



Mr. Cournow relaxes on a Friday afternoon.

Ms. Bradshaw also coaches track, besides teaching study hall.

"But Leslie, you don't understand!"

Scott Johnson flips through a magazine.

Study Hall — Manchester's no. 1 elective consists of: sleeping, eating, gossiping, gambling and occasional studying (only when absolutely necessary!)

"But I **am** busy!!"

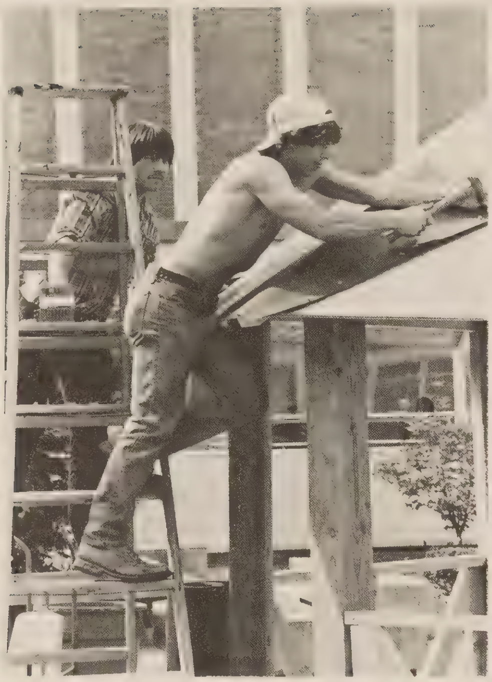
The 1980 Talent Show was sponsored by the Morning Magazine. Chris Rea stared as host and Barb Wills as hostess. There were a variety of different acts. Musical acts were abundant. Receiving first prize was Barry Richardson singing a solo. The Talent Show was a success and enjoyed by all.

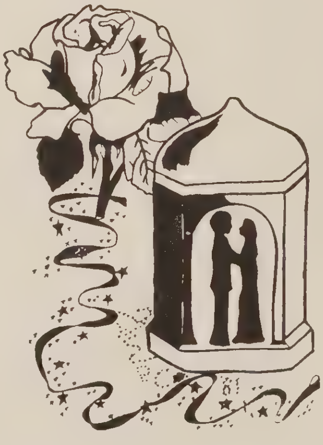
Moonlight and Poses



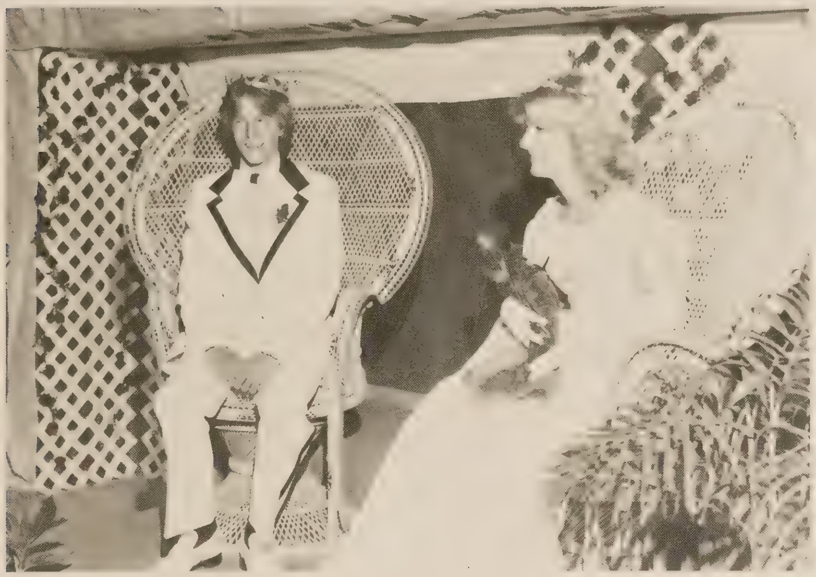
Timmy Wooten and Ritchie Phillips work hard on the gazebo.

Juniors, Jill Lewis and L.A. Carrol enjoy the festive atmosphere of Prom 1980.

The 1980 Prom Figure is performed by outstanding members of the Junior and Senior classes.



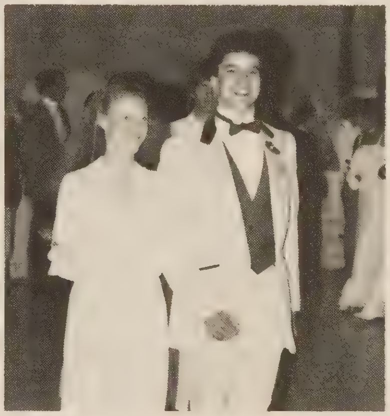
Prom '80; A Fantasy Come True



The Juniors and Seniors elected Fraser Hudgins and Sandy Neilson as their Prom King and Queen.

Wayne Jones, MEMOIR editor, escorts Michelle Young.

Roger Moore escorts Kim Slayton, Junior chaplain.



Chuck, Junior class president, with Veanne Cox.

Bill Wall, Carol Ferguson, Jack Beuth, and Cathy Melanger enjoy a night of Moonlight and Roses.

April 26, 1980, was a night of magic, creating fond memories. Enhancing the atmosphere was the soft melody played by one of Richmond's finest bands, Casper. The elegant gazebo, built by the Junior Class, was enjoyed by all throughout the evening. Prom Figure 1980 flowed smoothly, and at the end, Sandy Neilsen and Alexander Fraser Hudgins III were chosen as queen and king to rule the midnight splendor. Many thanks go to the hard working Juniors for making this a night to remember.

Manchester High School Presents:

The spring musical at Manchester has always been a huge success and, this year was no exception. On May 8th, 9th, and 10th, 1980, the Triptych Players presented "Once Upon A Mattress", based on the old fairy tale of "The Princess and the Pea." The orchestra was directed by Ed Wooldridge; Susan Wood was vocal director; and, the whole production was staged and directed by Dennis Wrenn, being helped by senior, Wendy McNany, as Assistant Director.

The sets were elegant and lifelike, the acting was superb, and "Mattress" will be remembered in everyone's heart forever.

Professional sets and costumes helped to make "Once Upon A Mattress" one of Manchester's best productions.

Who ever said princes had to have good manners?

Look Mama, she really is very "Shy"!

The orchestra director, Mr. Wooldridge, gives a cue.

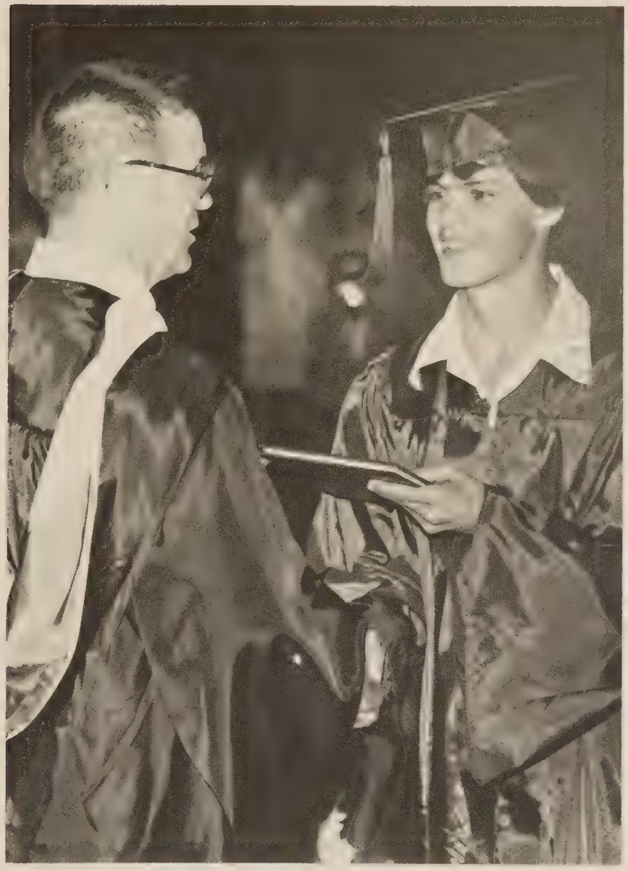
The Decade's First Graduation At M.H.S.



Mr. Thomas congratulates Paul Murrel upon receiving his diploma.

Led by President Mark Quigg, the seniors begin their graduation march to Lancer Stadium.

The class of 1980 listens attentively to Federal Judge Robert Merige.

June 5th, 1980, marked a long-awaited day for the class of '80. After three years of high school, graduation approached at last. To the tune of "Pomp and Circumstance," the seniors marched proudly in cap and gown onto the field at Lancer Stadium. Families of the graduates looked on with anticipation, as each diploma was awarded. Each graduate held different feelings, some happy, some sad, but each with thoughts for the future. Mark Quigg, president of the senior class, and Federal Judge Robert Merige, gave keynote addresses. A sky filled with caps and tassles, marked the seniors' last moments at Manchester.

Three Musketeers

The hard work and efforts of Mr. Thomas, Mr. Morris and Mr. Keister have really paid off this year. At times their jobs seem very hectic, but they all enjoy seeing students excel academically and physically at Manchester.

Principal Jack Thomas always has time to talk to the teachers.

WILLIAM E. MORRIS

Mr. William Morris, assistant principal in charge of discipline, spends much of his time opening jammed lockers and conferring with parents about student affairs.

Assistant principal, Darl Keister, is in charge of the detention hall, set up to allow students to work off demerits.

(above left) Mr. William Morris is a very hard worker and enjoys being around young people.

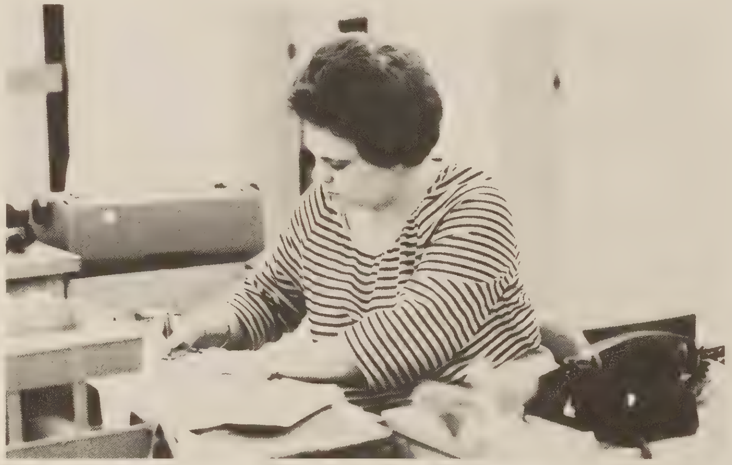
(lower left) Mr. Darl Keister stands near a portrait of his wife while studying one of the many manuals he refers to, being in charge of instruction.

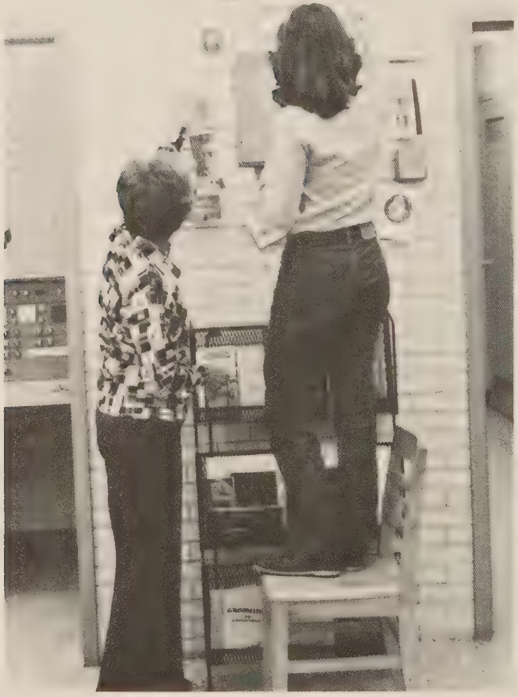
Office

Phones ringing and typewriters clinking, the office works all day. The numerous jobs of the office staff continue. If it weren't for these ladies, things would be in an uproar all the time. We really owe them a lot of credit for the bookkeeping, paper work, and other jobs they do for us.

Her second year as school secretary, Mrs. Helen Brown aides not only the principals, but the students.

(right) Mrs. Jane Gass works hard at handling the paper work that comes across her desk.





Mrs. Daniel and an office aide decorate for Christmas.

Mrs. Francine Daniel is the school bookkeeper and handles all the money for the clubs.

Personnel

Mrs. Mary Ann Jackson spends most of her day keeping tabs on student attendance and operating the clinic.

The office personnel decided to do their part to spread holiday spirit with their own Christmas tree.

Located in the clinic, the teachers aides do much to help the teachers.

One of the jobs the teachers aides do is type stencils for teachers.

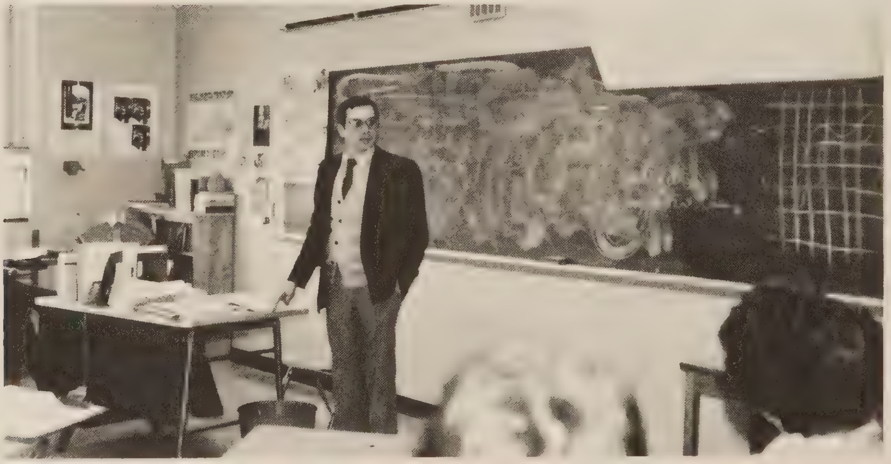
Essays, Essays . . .

The English department at Manchester is the largest this year with thirteen teachers, of which six are new. Mrs. Ada Hill is department chairman and teaches Advanced Placement English for Seniors. Also offered in this department is Journalism, Speech, Forensics, and Reading.

Besides teaching tenth grade English, Ms. Laura Trimble sponsors the school yearbook.

New to Manchester, Mrs. Millie Jenkins teaches English 12 and speech.

Mrs. Bowden teaches senior English and also sponsors the cheerleaders.



Mr. Donne Storino entertains his 11th and 12th grade English classes with "Name that Tune."

... It's English

Department chairman, Mrs. Ada Hill teaches twelfth grade English.

Laura Farrell teaches English 11 and works in the guidance office.

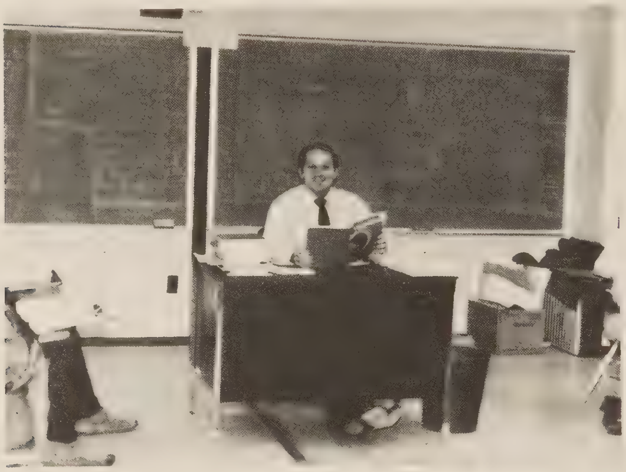
Her first year teaching at Manchester, Diane Harris teaches English 11 and Forensics.

Communique sponsor, Leigh Haynes teaches English 10 also.

Working with the debate team, Miss Angie Pickells finds her Saturdays occupied. She teaches 9th and 10th grade English also.

Donna Newman works with the Honor Council, and is reading specialist.

New to Manchester, Mrs. Gandersman teaches English nine and ten.



Besides teaching English 8 and 9, Mr. Pittman bowls every Friday night.

Learning Disability teacher, Doris Barnes teaches English and reading.

Mrs. Karen Reibsamen supports her English 11 class during Homecoming.

The Guidance Department

This year's guidance department has a very strong staff with Mrs. Hornick, Mrs. Rollings, Miss Duke and Mrs. Farrell. Mrs. Laura Farrell spends the last two classes of the day in the guidance office and helps with the freshmen. Helpful to the seniors and all college-bound students, the guidance counselors are always willing to help students with applications and making decisions about classes, etc. The guidance department does an excellent job with scheduling and helping students register for SAT'S and college boards. We owe a lot to these people and need to realize all the hours of hard work that goes into their jobs.

Senior counselor Mrs. Freda Rollings spends much of her time with college bound students.

Chairman of the Guidance Department, Mrs. Betty Hornick works hard counseling the 10th grade students.

(above) Miss Julie Duke, 11th grade counselor, spends her spare time maintaining a farm in Cumberland County.

(below) Thanks to the secretary, Mrs. Millie Blackburn, the guidance counselors have time to confer with students during the day.

Social Studies

U.S. and Va. History, World Geography, and Government are all familiar courses to most students at Manchester.

Mrs. Cavenaugh, department chairman, did an excellent job organizing trips and guest speakers. This year, many Seniors went to observe the General Assembly in session and found this very interesting.

An alumni of Manchester, Mike Rose is co-sponsor for the senior class.

Lancerette sponsor, Mrs. Barbara Lewis, teaches History and Government.

Sophomore ring committee sponsor, Martha Wiedeman teaches World Geography.

A tough Government teacher, Sue Goldstein enjoys teaching very much.

Department

(left)Mr. Albert Tyson is one of our World Geography teachers.

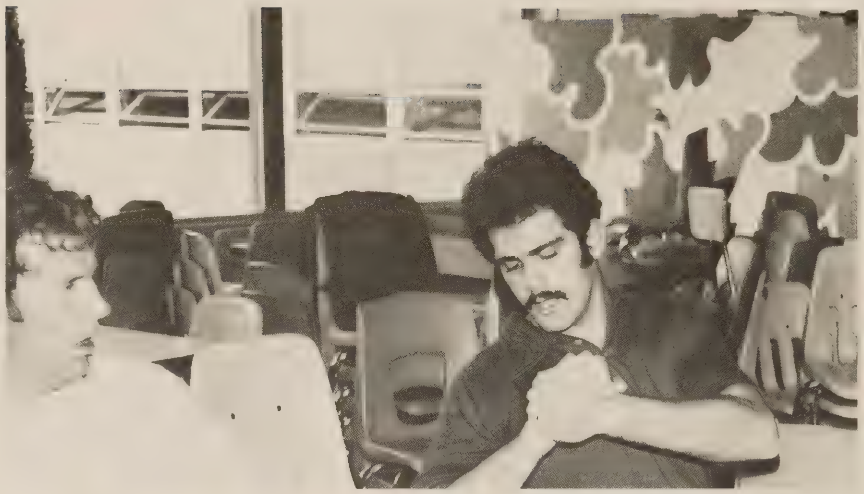
Busy Mrs. Cavenaugh enjoys working with students and teaching Government.

(left) Historian Dick Greenwood enjoys teaching History.

(left) Mr. Matheny wonders why Mrs. Reibsamen has such an expression on her face. Mr. Matheny teaches Government at Manchester.

Athletic

With the goal of getting students physically fit, the gym department teaches skills in various sports such as basketball, softball, handball, speedball, fencing, and gymnastics. The most important aspect of all classes is conditioning though. Some of the Advanced P.E. classes had a two-week course in bowling and went to Bowl America to use the facilities there. Of course, the part most students are interested in is the Drivers Ed. part of the class. The gym teachers work hard taking students out in the drivers ed. cars and helping students get their licenses.



Mr. Rick Richardson helps coach football and wrestling.

Coach Spears not only teaches gym, but coaches football and varsity baseball.

Mrs. Sandy Johnson teaches 10th grade gym and coaches softball. Mrs. Johnson sponsors the Varsity Club and helps keep the "stats" for boy's basketball games.

Coach Charlie Smith not only teaches gym but coaches basketball (both girls and boys), and is the golf team coach. He enjoys his spare time on the Pocoshock Golf Course.

Department

Coach Al Weaver talks up support for his cross-country team at a pep rally.

Mrs. Sandy Johnson gets caught in one of her mischievous moods.

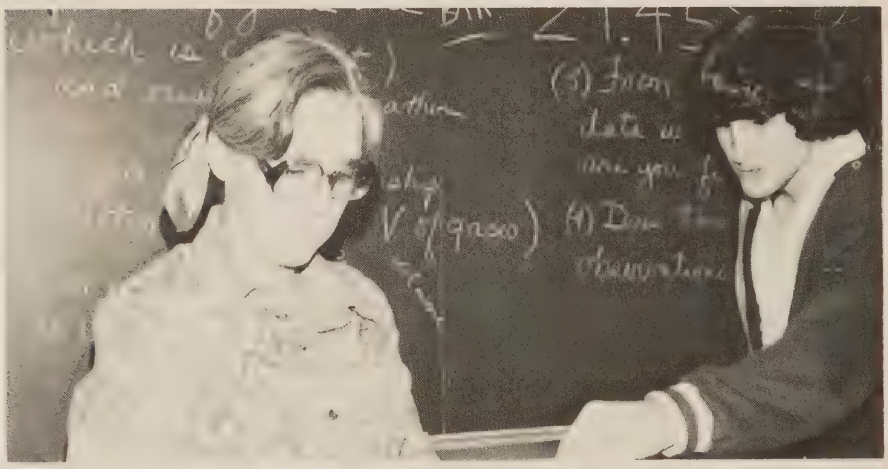
Miss Wallmeyer and Mr. Weaver take time out of gym class to pose for a picture. Miss Wallmeyer teaches and 9th and 10th grade gym and coaches track and girls basketball.

Teaching all levels of gym, Miss Mills stays busy with classes and coaching girl's gymnastics.

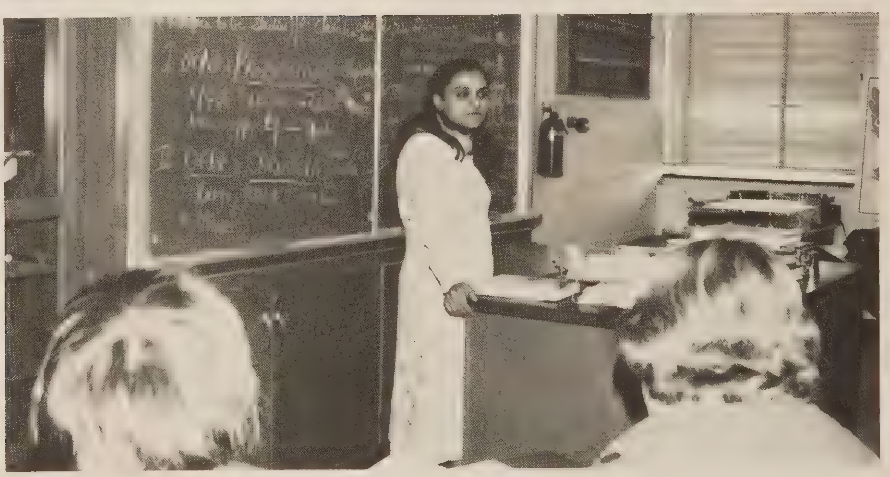
$H_2O + CO_2 =$

The Science department had a rather unstable beginning with the replacement of two teachers taking place this year. But now, with six competent teachers, things are running much smoother. Offered this year, are many advanced courses as well as Earth Science and Biology. Many Juniors and Seniors are taking Advanced Biology, Physics and Chemistry.

Besides teaching Chem. Study and Physics, Mr. Henry supports many of the school functions.



Replacing Mr. Loving as one of the Biology and Applied Chemistry teachers, Mrs. Steele enjoys teaching and has taught at Midlothian before.



Full-time teacher this year, Mrs. Raghu teaches Biology. Mrs. Raghu has taught college classes before, and lived in India.

Science

Teaching Earth Science for the Sophomores and Freshmen, Mrs. Bass is another one of our new teachers this year.

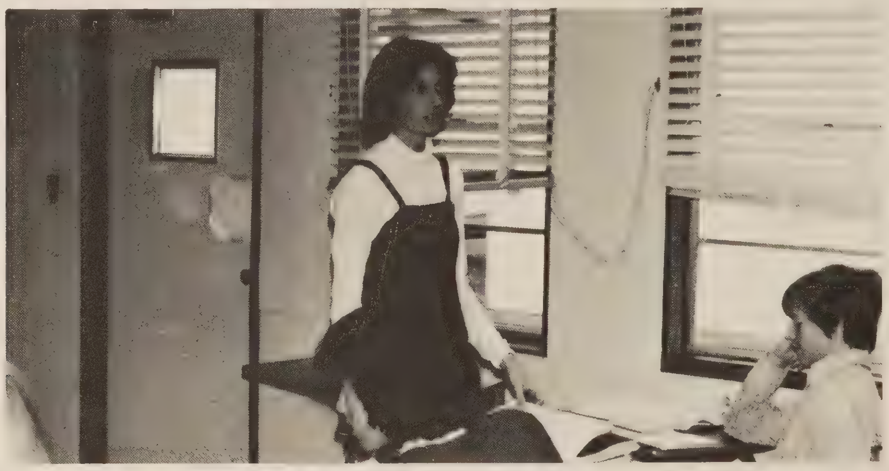
Sponsor for the National Honor Society, Mrs. Gwen Coalter teaches Biology and Advanced Biology.

Sophomore Derrek Therrel closely examines a speciman under a microscope.

Fun With

There are Four languages offered to students at Manchester. They are Spanish, French, Latin, and German. Many of the language clubs participate in the Homecoming float competition each year and various other competitions during the year. This year brought three new teachers: Miss Davis, Miss Lowrey, and Mrs. Nickerson. All three of these teachers are well-qualified and do an excellent job teaching. The French club sponsored the annual Foreign Language Banquet this year, under the supervision of Miss Lowrey. The spanish classes attended a performance of Classical Spanish Dancers and music and the French classes saw a French mime troop at Henrico High School.

Department chairman, Patricia Hoy often confers with her students about the Spanish Club's activities.



Latin Club sponsor, Mrs. Metta Nickerson teaches Latin and English 10 in her first year at Manchester. Mrs. Nickerson works with Latin students participating on the Certamen Team.

Coming from Chicago, Miss Debbie Davis teaches Spanish and French. Miss Davis graduated from Illinois State University.

Foreign Languages

Mr. Dick Greenwood teaches German I, II, and III and coaches tennis.

Mrs. Myra Shumate (right) teaches Spanish and sponsors the cheerleaders.

Miss Karen Lowrey teaches French and is the French club sponsor. Miss Lowrey has traveled extensively in France, Spain, Switzerland, and parts of Canada.

(below) Mrs. Pat Hoy enjoys the annual Spanish Christmas dinner.

The Arts

(below) Mr. Ed Wooldridge directs the marching band in practice.

(below) Mrs. Ann Loden helps Randy Arthur with batikking in art class.

(right) Mrs. Johnson returned again this year to teach orchestra.

(above) Mrs. Dobbie explains a Home Ec. problem on the board.

Mr. Dennis Wrenn relaxes after his drama classes.

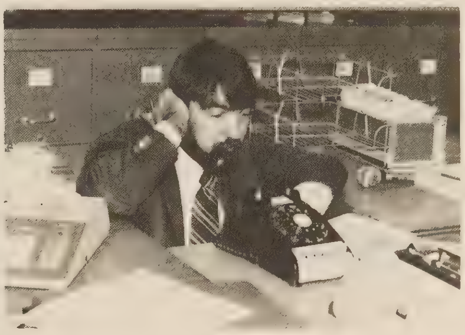
Mrs. Susan Wood has put together many good chorus shows this year.

The Arts

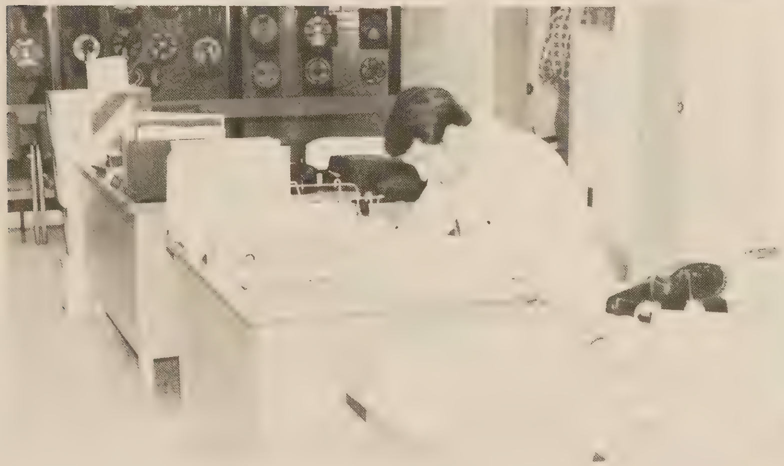
Mr. Lloyd Swelnis teaches Mechanical Drawing and is sponsor of the Monogram Club.

The art department consists of art, Home Ec., drawing, chorus, drama, and about any other talent one could have. Many students find this class a chance to express themselves and show what talent they do have. We're very fortunate to have such a well qualified group of teachers as these, and appreciate all the hard work they put into their jobs.

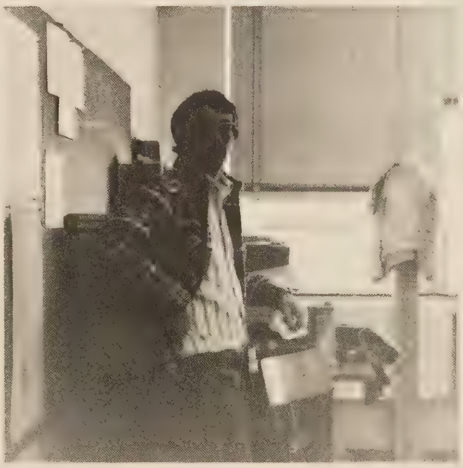
(left) Miss Catherine Robertson teaches art, and is a fine artist herself.



Mr. Wooldridge confers with a music store about some sheet music.



Mr. Howell fills out an order form for his Industrial Arts class.



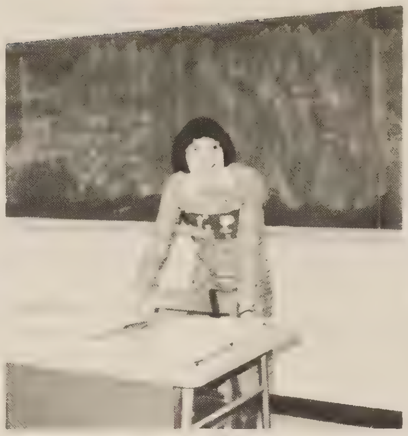
Mr. Adams teaches Earth Science and one class of Drawing.

The Math Department

The Math Department this year was headed by Mrs. Yates. She has done an excellent job keeping the computers available for students, and allowing them to work up projects and programs on their own. With four new teachers this year, the department has many new faces in the halls.

This year many students participated at the annual math contest at V.C.U. Another contest many students participate in is the National contest held every spring.

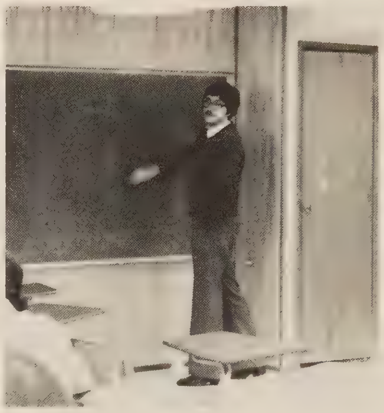
The Math-Science Club again organized itself this year and has had a lot of fun.



Mrs. Fagan teaches Math 8 and Algebra I.

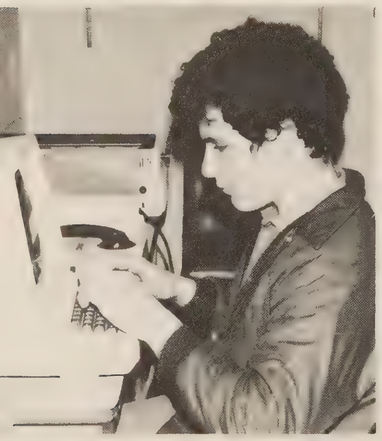
Mrs. Hartley teaches Analysis and Computer Math.

Mrs. League teaches Math 9 and Algebra.

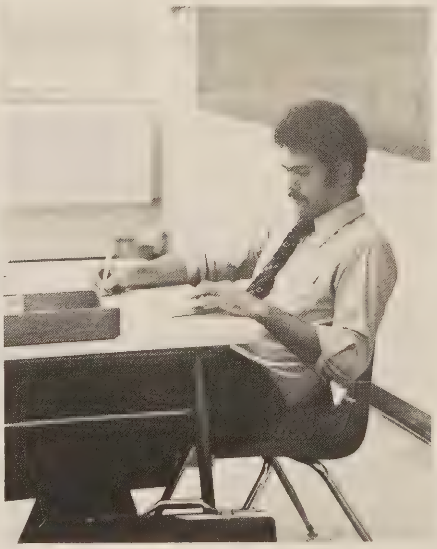


Mr. Gunter teaches Geometry, Algebra, and Analysis.

Gayle Jennings teaches Math 10, Geometry, and Algebra.



Mad Computerist at work!!!

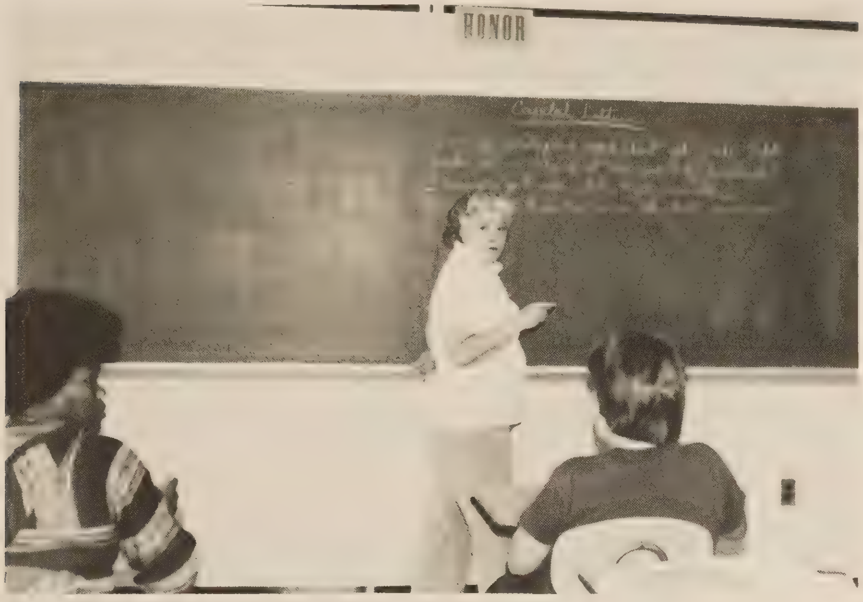


Rick Richardson not only coaches but teaches Algebra II — Trig.

Mrs. Yates teaches Algebra I and II, Calculus, and sponsors the Jr. Class.

Vocational Training

The Special Education Department works with students with learning disabilities. The students work more on an individual basis with their teacher, Mrs. Belcher. Attending regular classes, classes at the Tech Center, and classes in reading and speech, the students have a varied curriculum.



Mrs. Belcher goes over capitalization rules during English.

At Christmas time the students made many crafts and decorations for their room.

Often times, parents of students volunteer their time to come and help work with students.

Business Department

The Business Department of Manchester helps students get the best possible vocational education. Offered to students are classes in Typing, Shorthand, Accounting, Clerk Typing, Steno Block, General Business, Fashion Merchandising, D. E., ICT, and IWE.

Mrs. Delp is department chairman for the business organizations. FBLA attends numerous conferences throughout the year and is very lucky to have Mrs. Adelaide Brown as their sponsor.

Department chairman, Mrs. Delp teaches General Business, and Accounting

Mrs. Harris teaches Steno I Block.

Mrs. Colgate is the Fashion Coordinator.

Mrs. Dunkum teaches Clerk Accounting and Typing I.

Mrs. Pat Breeden teaches shorthand and Typing.

Mrs. Adelaide Brown is sponsor for FBLA and teaches General Business and Typing I.

John Rose is IWE coordinator.

Mr. Wilder is D.E. coordinator.

Mr. Weeks is ICT coordinator.

The Library

The library this year is better equipped than ever to help all the students of Manchester. The library has a nice reference section and is available to students before, during, and after school, five days a week.

For a while, students may have noticed all the plastic that covered book shelves during the first semester. This was due to a leaking roof but was repaired during January. Mrs. Frymier, Mrs. Napier, and Mrs. Seamster do an excellent job keeping everything running smoothly.

VERTICA
FILE

Mrs. Betty Frymier is the school librarian.

Mrs. Patricia Napier keeps records on all the audio visual equipment.

Mrs. Shirley Seamster helps students check out books.

Cafeteria and Janitors

If it weren't for these people, the cafeteria workers and the custodians, our school probably wouldn't be around. They do a lot of work to keep our school clean, and keep hot lunches fixed for us.

A very familiar face is that of Buster. Buster is the head of the custodial staff and does an excellent job keeping everyone happy.

Mrs. Ruth Davis is one of the more familiar faces in the cafeteria during lunch.

Manager Mrs. Ludwig not only does an excellent job running the cafeteria but also selling milk and ice cream.

YEARS AND
MOMENTS

With the spirit of MHS supporting them, athletic teams scored successful seasons.

The JV football team went underfeated. The gymnastic squad, the boys track and cross country and the girls tennis teams made Manchester proud with their accomplishments. Several varsity football players were offered scholarships by colleges.

It was a significant final year of AAA competition. 1980-81 will see The Lancers joining the ranks of the AA Division.

Second row: Richard Palmer, Bubba Britton, Jim Stone, Anthony Holt, David Coon, Monroe Meade, Vince Henderson, John Waters, Alan Harris, Chip Scott, Matt Holcomb, Mark Quigg, Coach Swelnis. Greg Walker gets checked out by the team physician.

The Manchester High School varsity football team ended its season with a winning record of 6 — 4.

The mighty Lancers started the season with a big win over a powerful Douglas Freeman, with a score of 12 — 6. Senior QB Anthony Holt showed a great potential in his Quarterback debut. The Lancers had their second straight win, beating Meadowbrook by the score of 47 — 12. Next, the Lancers were halted by Petersburg, but bounced back with a win over Clover Hill, 16 —7. With injuries haunting the Lancers, they suffered two straight losses. But the mighty orange crush didn't let it get to them. They came back with a big 28 — 0 shutout over Thomas Dale. The Lancers won their last two games with big wins over Hopewell, 42 — 12, and Colonial Heights, 51 — 6.

The Seniors on the Lancers' varsity were very beneficial to the team. The three year record of the seniors is 19 — 12, which includes a share of the Central District championship in 1978.

Five Seniors had post season honors this year, they were Bubba Britton — All District, All Metro, All Regional, and All American. Vince Henderson — All District (2nd team). David Coon — All District (2nd team) and All Metro (honorable mention). Monroe Meade — All District (2nd team) and All Metro (honorable mention).

Anthony Holt leads the way for Alan Harris.

Bubba Britton was named All Metro Fullback.

Senior Q-B Anthony Holt lets fly a long pass.

Mark Ingram pulls a fancy move.

Coach Swelnis talks with the ref.

Bubba Britton finds a hole.

Seniors Vince Henderson and Mark Quigg move in on an opponent.

Alan Harris speeds toward the goal line.

Monroe Meade

Monroe Meade is ready for anyone.

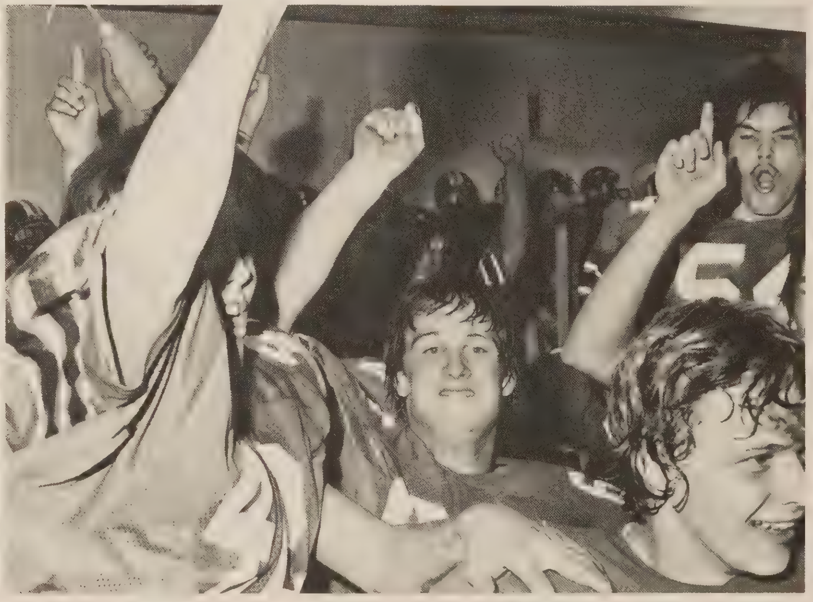
The 1979 football season marked the end of the career of Monroe Meade. There has never been a player in the area that has done so much for high school football. His jersey, number 1, will never be worn again by a Lancer player. He ended his career with a total of 3170 yards, 37 touchdowns, and 221 points. All three are school records. He was twice selected to the All-Metro team. In 1978 he was picked as Outstanding Offensive Player in the Metro area. He was twice all District and All Regional. Manchester has been very lucky for the past three years to have had him here.

Bubba Britton gives a block for Monroe Meade.

J.V. Football Finishes 7 — 0

First row: Chris Wallace, Randy Wimmer, Rick Crocker, Mike Noel, Scott Staib, Doug Staib, Randy Womack, David Trammell, Louis Ochoa, Coach Spears. Second row: Gerald Wimmer, Mac Drane, Craig Fisher, Mike Stokes, Mitch Lorraine, Bubba Thompson, Mike Fisher, Dwayne Ligon, Ken Collins, Edward Witt, Layne Farmer. Not pictured: Marcellus DeBerry, Wesley Owens, Fred Gray, Joe Jenkins, Scott Culley, Mike Hudgins.

The J.V. football team, headed by Coach Lin Spears, had a very successful season. The finished with an outstanding undefeated record of 7 — 0. They were first place in the county J.V. league. Although there were many great individual efforts, team effort played a major part in the final results. Many of these players will move up to help the varsity next year.

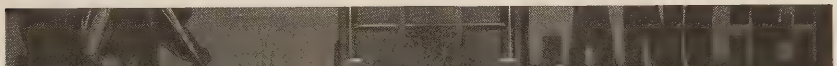


Team members celebrate after yet another J.V. victory.

J.V. Girls Have Much Success

Tricia Hensen goes for two.

Marty Moss reaches for the block.



Left to right: (kneeling) Co-captains, Cindy Martz, Marty Moss, Standing: Denise Wiggins, Diana Case, Terri Rix, Tricia Hensen, Deanna Donley, Teresa Ingram, Virginia Grady, Laura Dillard, Coach Wallmeyer.

Under the coaching of Miss Wallmeyer, the J.V. team came through with a winning season. They compiled a ten and eight record, with the help of high scorer, Cindy Martz, and the hustling defense of Deanna Donley. Tricia Hansen was named Most Improved Player of the team.

Quickness Overcomes

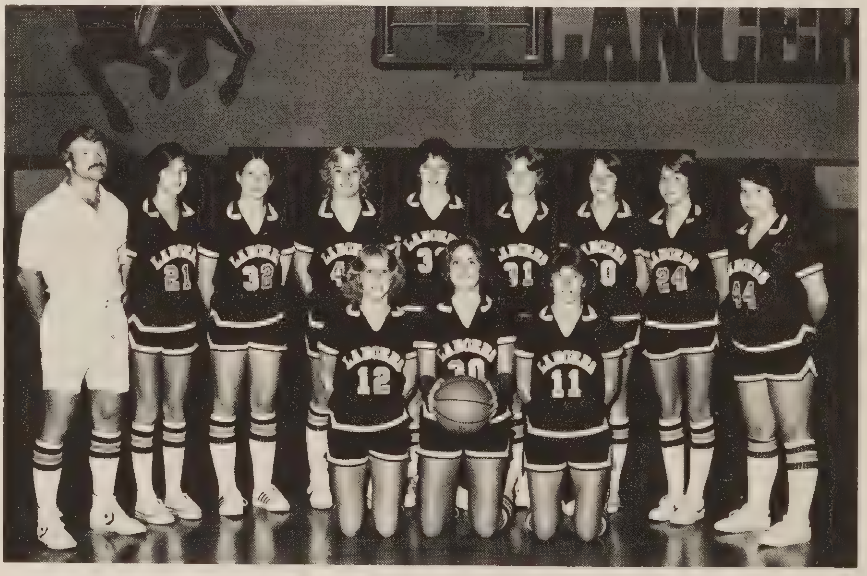
Kim Hunter's concentration pays off at the foul line.

GENERALS
20
12

Renée Johnson keeps the ball moving for the Lancers.

Lisa Blackburn gets two for the Lancers.

With only two players returning from the 1978 team, 1979 was going to be a rebuilding year. The team started slowly and steadily improved. The six and fourteen season ended on an encouraging note. In the Central District Tournament the 7th seeded Lancers upset the 2nd seed Midlothian Trojans 56 — 41 and in the semi-finals, the Lady Lancers lost by two points: 35 — 37 to 3rd seeded Colonial Heights. The outlook for the future is very promising.



Row 1: Tri-captains Kathy Moss, Renée Johnson, Robin Davis, Row 2: Coach Smith, Beth Bogdan, Debbie Beglau, Lisa Blackburn, Kim Hunter, Kay Dillard, Belinda Damewood, Mary Ames, Carla Cash.

Lack of Height

Kim Hunter makes a great attempt at the jumpball.

Robin Davis brings the ball down court.

Carla Cash recovers a loose ball.

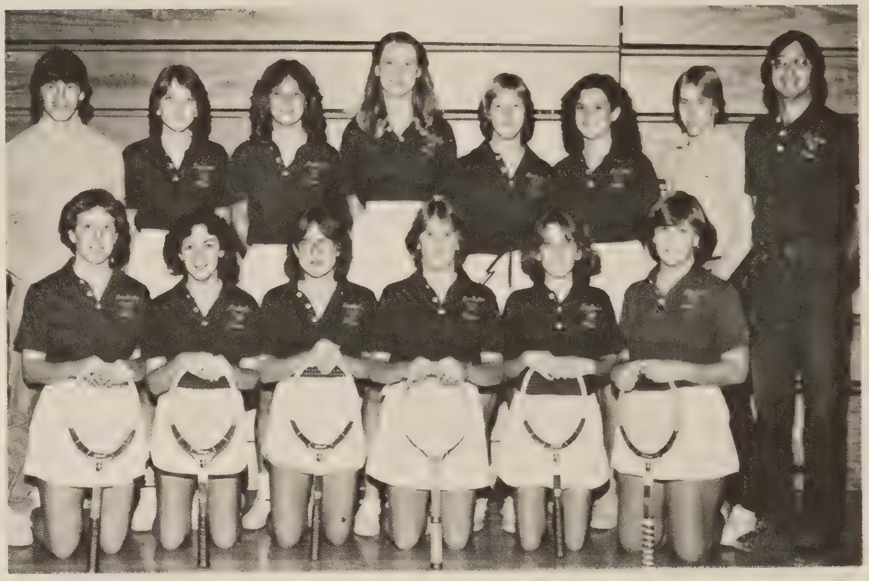
Lady Lancers getting "psyched" for the game.

Coach Charlie Smith gives his advice.

Girls Tennis Has First Winning Season

Manchester girls' tennis team had an excellent season this year. The team finished the season with a record of 13 wins and 3 losses. This record qualified the team for the Central Regional Tournament. Phyllis Perrin represented our team in the singles competition at the Regional Tournament.

All the girls on the team contributed to this outstanding season and special recognition goes to Sue Davis who won 12 matches and lost only 1. In addition, No. 1 Doubles team of Phyllis Perrin and Sue Davis had an undefeated season. No. 2 Doubles team of Krista Hunter and Laurie Magnusdal had an excellent record.



Kneeling: Krista Hunter, Sandy Agee, Kate Lambert, Laurie Magnusdal, Lori Lynch, Betsy Musselman Row 1: Mike Brown, Kristen Lynch, Anne Firesheets, Mandy Lee, Phyllis Perrin, Amy Weston, Mike Carter, Coach Steve Fox.

Lancers lead in the Marshall-Walker meet.

The Manchester Cross Country team closed out another winning season by posting an 11-1 record. The Lancers, led by co-captain, Fraser Hudgins, placed 2nd in the District, 4th in the Region, and 11th in the state. Manchester did well in the Invitational meets, with Fraser Hudgins gathering many personal records, including placing 1st in the District and Region. The program will be hurt by graduation, but the Lancers should still have a successful season next year.

The Lancer JV finished with a record of 7 wins and 13 losses. Inexperience was the key word in describing the season. Fred Gray led the team in scoring and rebounding. Mike Noel and Bubba Thompson did an excellent job of directing the Lancer attack. Mike Stokes played center and steadily improved during the season. This was the first year in a long time that freshmen could play for Manchester. Hopefully the six freshmen will provide the experience necessary for a successful season next year.

This year's basketball team could best be described as "improved" and "competitive." Despite a slow start, the Lancers managed to finish in 6th place with a 9-12 record, Manchester's best season in the last 5 years. In addition to its record, the team was also much more competitive than previous years as 6 of its losses were by 7 points or less. Despite two heartbreaking losses to Midlothian, the Lancer cagers managed to highlight their season with dual victories over arch-rivals Meadowbrook and Clover Hill.

Fans fill the stands to watch the Lancers.

The 1979-1980 Manchester wrestling team had what must be considered a great season. After going winless in the two previous seasons, the wrestling team posted an impressive 5-8 win-loss record including several losses by only 10 points or less. With a strong contingent of lettermen returning to next year's squad the Manchester wrestling team should see continued success.

The J.V. Baseball Team ended their fine season with a 12 — 4 record. That record enabled the Baby Lancers to claim first place in the Central District. Many factors enabled the J.V.'s to have this successful season. These factros are: Good Hitting, Good Defense, and last but not least, team togetherness, and spirit.

The big wins of the season included: 3 — 1 victory over Hopewell and 10 — 4 victory over Midlothian. Both teams had beaten the Lancers earlier in the season. Hopefully, this winning tradition will continue next year when many of these J.V.s move up to the varsity.

Because of a fatal accident, however, he was unable to complete his term. The group, along with the entire student body and faculty, was hurt deeply. Through the leadership of Harold Goldston, the group began to carry on their activities once again.

They are eligible to go on an extended trip every 3 years. The band does extensive public relations for the school. Membership is left open, with instrumentation at the director's discretion.

When each of us became members of the squad, we were selected on our ability to perform, our personality, and our character. We could be considered a pom-pom squad; but, we feel we're more than that. The **MEMOIR** has undergone many changes this year, all of which were directed toward the improvement of the book. The staff owes many thanks, but here are just a few of them.

We are certainly grateful to our sponsor, Ms. Laura Trimble, for her guidance and patience. This year's **MEMOIR** was published by **Herff Jones Co.,** which was represented by Mr. Mike Smith. His direction was a major influence on the book's improvement, and we are very thankful for his help. We are also very grateful to Mr. Sam Sears and Mr. Bob Jones for their photographic talent, and to Ms. Nita Jones for her unlimited creativity.

Sponsor of the **MEMOIR**, Ms. Laura Trimble.

POEM OF WAR AND DEATH
January 24, 1980

This is a poem I do not like
Because it reminds me of myself as a tyke.
I only wrote that because it would rhyme,
And keep the meter or beat and time.
But in this poem I'd like to express,
All the feelings about all this mess.
The world is going down you can see,
And has nothing left to offer me.
For soon I'll be drafted and fighting,
And in a foxhole I'll be writing
Home to all the loved ones and kin
About all this dirty filth and sin
That pollutes the minds of admirable men
To make them want to kill again.
But this isn't for me, no not so
Because my mind has not sunken so low,
As to enjoy ending the lives of others,
To kill my fellow sisters and brothers,
All for what purpose no one can tell,
And those who love it will perish in hell.
Yes hell is for those whom kill and hate
And determine their enemies fate
And no better would I be
If I would relinquish in that bloody sea,
All my hopes and fantasy
And leave my poor family behind
To face poverty and restlessness of mind.
No not for me is this new war
It would only call for death more and more!
But if I am needed, I will go
And die on the battlefield, if that be so.
